

ANAESTHESIA POINTS WEST

CUMULATIVE INDEX

2005–2009

AUTHOR INDEX

- Andrews C.**, Portrait of the President 2005; **38(1)**:4–5
- Ansell G.**, A New Zealand Experience 2007; **40(1)**:57–9
- Baskett P.J.F.**, Obituary of John Stanley Zorab 2006; **39(2)**:5–6
- Beringer R.**, A Sticky Subject 2007; **40(1)**:31–4
- Berrisford R.**, Anaesthesia for Minimally Invasive Oesophagectomy – the Exeter Experience 2008; **41(1)**:33–7
- Besson M.**, Can Homotopic Stimulation Reduce the Area of Allodynia in Patients with Neuropathic Pain? 2008; **41(1)**:49–52
- Binks A.**, Three Days By The Sea – GAT 2007 2007; **40(2)**:62–3
- Black A.**, Portrait of the President 2006; **39(1)**:5–7
- Blanchard H.**, More Thoughts on Anaesthesia – A Decade on and into the Future 2007; **40(2)**:57–9
- Blanche W.**, Ed Walsh: an unsung hero of anaesthesia 2009; **42(1)**:7–8
- Bourdeaux C.P.**, Cross Reactions Between Cephalosporins and Penicillins – Less Than 10% But Still Cause for Concern 2008; **41(1)**:38–40
- Brook P.**, Can Homotopic Stimulation Reduce the Area of Allodynia in Patients with Neuropathic Pain? 2008; **41(1)**:49–52
- Brown R.E.**, Perceptions of the Effects of Hours Reduction on the Training of Specialist Registrars in Anaesthesia 2007; **40(1)**:44–9
- Brown Z.**, The Management of Patients with Anorexia Nervosa in the Intensive Care Setting 2008; **41(2)**:43–6
- Burn P.**, Hypothermic Responses to Infection are Inhibited by α_2 -adrenoceptor Agonists: Possible Implications for PICU Patients 2007; **40(1)**:26–30
- Campbell N.**, A Study of the Anatomical Relationships of the Median Nerve at the Wrist Using Ultrasound Imaging 2008; **41(1)**:53–4
- Carlisle J.**, Pre-Op Fitness in the West 2005; **38(1)**:30–2
- Carr A.S.**, Perceptions of the Effects of Hours Reduction on the Training of Specialist Registrars in Anaesthesia 2007; **40(1)**:44–9
- Carter J.A.**
Evelyn Baker Medal – Dr Martin Coates 2007; **40(1)**:5
Guernsey Marine Ambulance Service 2008; **41(2)**:30–1
Knighthood – Sir Peter Simpson 2006; **39(2)**:9
Obituary of John Stanley Zorab 2006; **39(2)**:5–6
Portrait of the President 2009; **42(1)**:5–6
- Carty S.**, A Study of the Anatomical Relationships of the Median Nerve at the Wrist Using Ultrasound Imaging 2008; **41(1)**:53–4
- Casey B.**, Notes from Eritrea 2005; **38(1)**:44–6
- Chauhan N.**, Acupuncture and Dry Needling for Myofascial Pain 2006; **39(2)**:39–40
- Chizh B.A.**, Can Homotopic Stimulation Reduce the Area of Allodynia in Patients with Neuropathic Pain? 2008; **41(1)**:49–52
- Clarke A.**, Regional Survey of Departmental Induction of New Anaesthetic Trainees, and Suggestions for a Common Standard 2008; **41(1)**:41–3
- Cook C.**, Paediatric Anaesthesia at the Red Cross in Cape Town 2009; **42(2)**:31–5
- Courtman S.**, Revisiting Corners of the Web: www.saswr.co.uk 2005; **38(2)**:39
- Cowlshaw P.J.**, A Survey and Review of Herbal Medicine and Anaesthesia 2007; **40(1)**:39–43
- Craig R.**, Epidural Analgesia in a New Zealand Tertiary Hospital Before and After Publication of the MASTER Study – Evidence Based Medicine in Action? 2007; **40(2)**:28–31
- Davies K.**, Atrial Fibrillation for Anaesthetists 2006; **39(2)**:41–4
- Dawes T.**, Michael Tunstall and the Development of Entonox 2007; **40(2)**:32–5
- Dowse C.**, Three Days By The Sea – GAT 2007 2007; **40(2)**:62–3
- Drake M.**, A comparison of the cost of inhalational anaesthesia using various breathing systems: implications for the developing world 2009; **42(1)**:51–8
- Duffy M.R.**, Recombinant Factor VIIa for the Treatment of Uncontrolled Haemorrhage caused by Traumatic Injury: A Systematic Review 2008; **41(1)**:26–32
- Eltringham R.**
News of the Almost Free 2005; **38(2)**:35–6
Portrait of the President 2009; **42(1)**:5–6
- Fitzjohn S.**, Hypothermic Responses to Infection are Inhibited by α_2 -adrenoceptor Agonists: Possible Implications for PICU Patients 2007; **40(1)**:26–30
- Forster S.**, Obituary of Basil Muir 2006; **39(1)**:8
- Forward R.**
Canals and Cannulas 2008; **41(1)**:65
Champs Geroux 2008; **41(2)**:56
Dusk 2005; **38(2)**:45
Fire Eater 2009; **42(1)**:63
From The Ancestors 2006; **39(1)**:64
Jumping 2005; **38(1)**:50
Moments 2007; **40(2)**:67
Sheets 2007; **40(1)**:64
That Laugh 2006; **39(2)**:58
Then 2009; **42(2)**:38
- Fox W.**, The University of Michigan, Ann Arbor USA 2008; **41(1)**:55–7
- Francis J.**, review 2006; **39(1)**:67
- French R.**, Epidural Analgesia in a New Zealand Tertiary Hospital Before and After Publication of the MASTER Study – Evidence Based Medicine in Action? 2007; **40(2)**:28–31
- Ganguly S.**, A Pilot Audit of Epidural Associated Hypotension after Colo-rectal Resection 2008; **41(2)**:38–42
- Gatward J.**, Three Days By The Sea – GAT 2007 2007; **40(2)**:62–3
- Georgiou A.**, Thorough Anaesthetic Machine Check 2007; **40(1)**:56
- Gibbison B.J.J.**, Mallampati Grade II: A Survey of Anaesthetics 2007; **40(1)**:50–1
- Goodman N.W.**

- All of the Following are True: MCQs in anaesthesia exams 2007; **40(2)**:60–1
- The Blood–Brain Barrier 2007; **40(1)**:60–1
- Parameters 2006; **39(1)**:59–60
- String Management 2005; **38(2)**:42
- There is such a thing as society 2006; **39(2)**:55
- Gupta K.**, Regional Survey of Departmental Induction of New Anaesthetic Trainees, and Suggestions for a Common Standard 2008; **41(1)**:41–3
- Hanham T.**, The Same But Different ... Veterinary Anaesthesia 2006; **39(1)**:55–7
